

Insurance Administrator of America, Inc.

A Full-Service Employee Benefit Firm

Insurance Administrator of America, Inc 30th Anniversary!

It is hard to believe IAA is 30 years old. How does this happen so quickly?

We started IAA with the core goal being to provide a service that allows our clients to focus on their business and not IAA. I like to think our continuous growth was due to that mission. However, the real reason is because we have the greatest clients, business partners and employees in the business.

To our Clients:

I want to take this opportunity to personally thank you. Thank you for the trust you put in us and the loyalty you have shown us for the past 30 years. Without you, there truly would be no us.

To our Brokers and other Business Partners:

I want to take this opportunity to personally thank you for the faith you have placed in the IAA Team. Thank you for trusting us to provide your clients with the best service possible. Our partnership has made us stronger as a company thanks to your constructive feedback and guidance.

To the IAA Family:

I want to take this opportunity to personally thank you for doing all that is necessary to help our clients' members. Thank you for keeping the path smooth for our clients so they can run their business. And of course, thank you for the loyalty you show to everyone you touch.

Please let me know if we can do anything better to help you continue to succeed.

I wish you all a wonderful, safe, and healthy new year.

Sincerely,

Paul Kelly
