

IAA Introduces Wealthcare Portal

Exciting News! Effective July 3, 2017, Insurance Administrator of America, Inc. is switching to a new platform to better service you, our plan member. This new platform will better assist you with a wide variety of abilities and improved services.

With the new Wealthcare Portal, you will be receiving a new debit benefit card if you currently have a debit card for your Flexible Spending needs: FSA, HRA, Transit and Dependent Care. Your new IAA Benefits Card is shown below in blue. Upon receipt of your new card, please destroy your old MySource Card shown below in yellow.

If you do not receive your new IAA Benefits Card by June 30th, please contact IAA.

Out with the old . . .

In with the new . . .

For over 20 years Insurance Administrator of America has provided its clients self-funded and consumer-driven health plans that best suits the life of their businesses. By unbundling the services that traditional insurance providers lump together, IAA helps clients design better benefit packages that provide significant cost savings.
